Krista,

Can I call you for you some quick Taiwan-related guidance on something? As you know, Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States. Thanks so much.

It was nice to finally meet you too. I work with Karen Kunze in our office.
Thanks for the youtube link. I'll check it out.

Krista,

It was nice finally meeting you in person at Thursday's reception. Again, I really enjoyed working with you on the TRA letter, and I'm sorry to hear Senator Johnson will relinquish his Taiwan Caucus co-Chairmanship. Oh, well. Either way, I'm sure we'll find ways to work together again. Can you tell me the name of the other woman I met from your office? I need it for our filing purposes, thanks so much. In the meantime, for a better idea of our firm's larger Taiwan play, you can always listen to me preview Taiwan's 2008 legislative elections here,

Dear Nicole,

Today is Taiwan President Ma's one-year anniversary in office. Hence the commemoration of that milestone is no longer of primary concern.

Please see below the time slots that are still available for calls with President Ma. Please let me know if Senator Kaufman might be available for a call at any of these times, thanks so much in advance.

As promised, below please see the revised time slots that President Ma is available for calls (all times PST). Benson will handle the logistics from there. Again, any help that the Senator and your office can offer in securing the availability of any of the Senators we mentioned for a call with President Ma would be greatly appreciated:
